Principal's Message:

Quarter grades: Though these grades are not permanent, they will be averaged with the second quarter grades to make a semester grade (January 16). The semester grades are permanent and will be entered into the cumulative file. The same rules apply for citizenship grades. Please remember that our grading system includes mid-quarter progress reports, quarter reports, and semester reports.

The teachers use various strategies and interventions to keep students and parents informed about their grades on a regular basis. Please contact the teacher, counselor, assistant principal or me if you need additional support.

David L. Ortiz, Principal

La Colina News

The Leadership class will be running a canned food drive for the Unity Shoppe from November 17-21. Shopping carts will be set up at the front of school each morning for drop-off.

The 7th and 8th grade students will be competing to see who can fill the most shopping carts, with the reward being a day of no homework!

Foods that are needed the most are: canned corn, cereal, canned tuna, pasta, canned peaches, canned tomatoes, baby food, chicken and vegetable soup, peanut butter, pinto beans, and rice. Whatever you can donate will help as we try to fill the shelves at the Unity Shoppe.

Issue 12

Date: November 14, 2008

Weekly Calendar

11/17-11/21 Unity Shoppe Canned Food Drive
