

AmeriCorps

AmeriCorps is a national service program that engages thousands of Americans of all ages and backgrounds in a domestic Peace Corps – making a difference and getting things done across America. AmeriCorps members qualify for an education award to help pay back student loans, or to finance college, graduate school or vocational training. A living allowance is paid to members while serving. Student loan forbearance is probable. Health insurance and child care benefits are available for full-time members only.

AmeriCorps Reading Literacy Program

The mission of the AmeriCorps Reading Literacy Program is to make a difference in the area of reading literacy by providing a coordinated reading tutoring program in targeted elementary and middle schools throughout Santa Barbara County. In addition, our AmeriCorps members are trained in Volunteer Recruitment and Management to assist targeted schools with these priority needs. Our AmeriCorps members are highly committed to help students improve their reading skills, creating better citizens, and meeting community needs in the area of literacy.
