

AmeriCorps

AmeriCorps is a national service program that engages thousands of Americans of all ages and backgrounds in a domestic Peace Corps – making a difference and getting things done across America by meeting our educational, public safety, environmental and human service needs. AmeriCorps members receive an education award to help pay back student loans or to finance college, graduate school or vocational training. In addition, a living allowance and health insurance are provided during the term of service. www.americorps.gov
