

San Marcos High School

Athletic Boosters Club

2008-2009 Membership

Over 800 students participate in athletics at SMHS – that’s more than a third of our school! While the number of athletes is growing – the budget is not. Every year funding for athletics is **slashed**. We no longer receive **ANY** money for transportation or safety equipment from the School District. Teams must do their own fundraising for uniforms and supplies.

The Athletic Boosters Club is **essential** to the success of each and every sport, and your membership is **critical** to the success of Boosters. During 2008/2009 SMHS Boosters donated over **\$15,000** to fulfill the wish lists of our coaches for items including balls, backstops, green fees, uniforms, competition fees, and field maintenance. In addition, the Boosters provided purchased a new ice machine and provided **\$25,000 to cover transportation to competitions for ALL sports!!** **We expect to do this and more this year – BUT WE NEED YOUR HELP!!**

We can’t fund these vital programs without your support

– Please Join Today –

Levels of Membership (fees based on individual membership):

Can you help us with Booster activities? _____

“Parents – Your membership in the Booster Club is vital to the success of all our athletic programs. It is important that you continue this support to insure the quality, spirit and winning tradition of San Marcos Athletics. I cannot emphasize enough the importance of Booster support. Please join us, and become part of the royal Athletic Family.”

■ Abe Jahadhmy, Athletic Director

“Our student athletes give so much back to our school and to our community. Through support from the Boosters, we are able to close the funding gap and meet real needs. I urge you to join the proud tradition of Royal Boosters today and help our athletes realize their full potential. Go Royals!”

■ Craig Morgan – Principal SMHS
