Principal's Message: Diversity/Equity Week: (February 8-11)

Diversity/Equity Week is a special week at La Colina, and within our school district, that focuses on building knowledge and understanding of diversity and equity related topics as well as building inclusion and promoting our respective level of influence (i.e., students, staff, parents/guardians). It is important that we all understand that our vision of an effective school culture based on equity, access and positive relationships will not be realized through a week's effort, but by ongoing daily effort. Our schedule will include:

Monday - Introduction to Diversity/Equity Week (purpose and activities for the week) on the public address system; period 5 Homeroom activity on learning differences, and signing a Resolution of Respect.

Tuesday - Reading Martin Luther King contest essays on the public address system; grade 8 assembly with Mrs. Judith Meisel (Holocaust survivor), and lunchtime cultural music.

Wednesday - Lunchtime signing of a Resolution of Respect, cultural music, and classes (1-6) completing a related reading; and lunch-

time cultural music

Thursday - Cultural clothing day and a dollar dance to add to our Haiti Relief fund-raiser.
