Please have your district Coach Coordinator return this form to David DeMille along with a brief recommendation by fax (805) 964-2641 or by e-mail at demille@sbceo.org. All proposals will be considered on the basis of regional priority and identified coach need. Feedback on all proposals will be provided to the coach and the Coordinator.

Please specify the professional development/formal sharing you would like to provide to other coaches and how this supports a current regional need in meeting the Assurances and increasing student achievement.

Identify how the coaches will be able to use this information at their site or within their district and what resources you will provide to help bridge the application/use of your presentation.

Please list your intended outcomes for this training (i.e. what do you want the audience to learn and/or apply as a result of this professional development opportunity) and how much time is needed.

By the end of this presentation, coaches will...

Please identify any specific logistical or content-related requests you will need to make this presentation (i.e. audience grouping, equipment, materials, handouts, materials participants should bring, etc..)
