

Lesson Study Implementation Plan

- 1. How might you build interest, support and capacity to begin implementing Lesson Study at the school site?**
- 2. When is the most logical time and place to hold lesson study sessions at your school? Which grade level team is currently poised for Lesson Study?**
- 3. When could you hold your first/next Lesson Study session? Be specific with a date, theme/unit, etc. What are some of the logistical considerations?**
- 4. What do you want to personally study more so you are comfortable with leading the Lesson Study facilitation process?**
- 5. Who could you work with the cognitively prepare to facilitate lesson study? When will you meet with this person to plan?**
