JAPANESE STUDENT-EXCHANGE SUMMER OPPORTUNITY

Would you like to represent Santa Barbara as an exchange student to Japan this summer? Each year the Santa Barbara Toba Sister City Organization invites four eighth or ninth grade students, ages 13 - 15, to be exchange students to Toba, Japan.

During August four Japanese students from Toba will visit four Santa Barbara students for approximately eight days. The following week the four Santa Barbara host-students will fly to Japan and share eight more days in the Japanese students' homes.

The Santa Barbara students will be prepared for their experience with language and cultural lessons by members of the Sister City Organization.

If this cultural adventure appeals to you please call Mary Turley 963-3851 for information and an application. **Deadline: March 1, 2007.**
