# In-Stock

# List

## In-Stock Inventory

This list contains all the great items we have available for you to purchase on a daily basis. Sometimes demand for an in-stock item exceeds our inventory on hand and it becomes out of stock. We will place your item on a pre-order and fill it when the item comes in. We constantly monitor the buying trends of our scrip program and try to anticipate what our families need.

If you are considering making a large purchase of one item, consider ordering early using a pre-order. This will guarantee you will get the exact amount of scrip that you need.

### Want more choices?

[Check out all the retailers available online at www.glscrip.com.](http://www.glscrip.com) Use a pre-order form for any item we don't carry in-stock. Pre-orders take 3-5 days for delivery.

#### DIRECT VENDORS

We have several school families and parishioners who provide their services and products through the scrip program without purchasing a "gift certificate or gift card". These are our "DIRECT VENDORS". To use a Direct Vendor and have your sales count towards scrip, contact the vendor directly and contract their services or order their products. They will provide the scrip office with your sale information. Your scrip account will get credit for the sale and the school earns the percentage.
