AGENDA

Welcome and Grounding

A. Participants shared their reaction to quote regarding continuous improvement

Program Data

- A. Data shared from each of our credential programs: TIP, PASC, and CASC
 - a. Completer Data results were shared for each program
 - b. Advisory Board members provided initial response, analysis and contributed questions to consider

Program Artifacts

- A. Advisory Board members broke into teams and the directors (TIP, PASC, CASC) briefly explained the process.
 - a. Each program had an activity requiring the handbook
 - i. TIP- Reviewed Candidate ILP
 - ii. PASC- Rolled through the handbook then provided feedback on the Performance Assessment Tool
 - iii. CASC- Reviewed the response to the Addendum
 - b. Each group shared out their responses from the group activity and offered suggestions and kudos for consideration

Accreditation

- A. AB members were reminded of their role during accreditation and the date. Some members requested copies of the handbooks for a couple of programs.

News from the field: Open Forum

- A.
Thanks to all for coming!
