

PROVISIONS RELATING TO STUDENTS

POLICY - NONDISCRIMINATION AND HARASSMENT

BP 6145.3

This policy shall apply to all acts constituting unlawful discrimination or harassment related to school activity or to school attendance occurring within a County Education Office program, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

The County Board and County Superintendent desire to provide a safe school environment that allows all students equal access to and opportunities in the County Education Office's academic, extracurricular, and other educational support programs, services, and activities. The County Board and County Superintendent prohibit, at any County Education Office program or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics.

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also occurs when prohibited conduct is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The County Superintendent also prohibits any form of retaliation against any individual who reports or otherwise participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be

investigated and resolved in the same manner as a discrimination complaint.

The County Superintendent or designee shall facilitate students' access to the educational program by publicizing the County Education Office's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. In addition, the County Superintendent or designee shall post the County Education Office's policies prohibiting discrimination, harassment, intimidation, and bullying and other required information on the County Education Office's website in a manner that is easily accessible to parents/guardians and students, in accordance with law and the accompanying regulation.

The County Superintendent or designee shall provide training and/or information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The County Superintendent or designee shall regularly review the implementation of the County Education Office's nondiscrimination policies and practices and, as necessary, shall take action to remove and identified barrier to student access to or participation in the County Education Office's educational program. The County Superintendent's designee shall report the findings and recommendations to the County Superintendent after each review.

Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Any employee who permits or engages in prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall be subject to disciplinary action, up to and including dismissal.

Record-Keeping

The County Superintendent or designee shall maintain a record of all reported cases of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, to enable the County Education Office to monitor, address, and prevent repetitive prohibited behavior in County Education Office programs.
