Get Ready!
for
COMPUTER SCIENCE EDUCATION WEEK
(December 6-12, 2021)

SANTA BARBARA
County Education Offic
Susan C. Salcido, Superintende

Computer Science Education Week (CSEdWeek) is an annual call to action to inspire TK-12 students to learn computer science and to advocate for equity in computer science education. Organized around the popular theme of "Hour of Code", CSEdWeek provides fun opportunities to expose students to CS.

Join us to plan your Hour of Code activity for CSEdWeek 2021

- No experience needed.
- Resources for TK-12 teachers, administrators and TOSAs.
- Make and take a customized plan for CSEdWeek.

November 17, 2021
3:30-4:30 p.m.
