

# Prioritizing Instructional Content *for teams*

In this three-part series for **Instructional Teams**, we will investigate guidance documents for prioritizing grade-level content while maintaining instructional rigor.

Teams will collectively develop approaches, strategies, and plans that:

- Begin with a commitment to principles of equity
- Address students' unfinished learning
- Foster achievement of grade-level standards

## INSTRUCTORS

Lauren Aranguren, Carla Benchoff,  
Rachel Fauver, Scott Spector, SBCEO
