

# Promoting Resilience within our students and ourselves

with

**RICKY ROBERTSON**

**R**icky Robertson is an educator, author, and consultant who has worked with schools across the country in developing trauma-informed social-emotional supports that foster resilience for students, staff, and families.

Along with Amber Warner and Victoria Romero, Ricky is the coauthor of the Corwin Press best-selling book, *Building Resilience in Students Impacted by Adverse Childhood Experiences: A Whole-Staff Approach*.

Ricky delivers impactful, life-changing and school system changing workshops. He has helped schools develop and implement multi-tiered systems of support that have improved student behavior, academic performance, social-emotional wellbeing, and attendance. Ricky is deeply committed to all types of equity. His deep respect for youth, especially those living with trauma, and the educators who serve them, continue to inspire his work today.
