

PLANNING FOR Universal Pre-Kindergarten

Join us in this introductory session to support our county districts and early childhood care providers in conceptualizing and developing their design for UPK implementation. Support will include distribution and exploration of the following documents:

- Universal Pre-Kindergarten Planning Toolkit
- Universal Pre-Kindergarten LEA Assessment Tool
- Universal Pre-Kindergarten Planning Template

Audience: Site and District Administrators and Staff, Strategic Planning Team Members, Early Care and Education Directors, and other Early Education partners.
