

# Setting Up the Virtual Classroom

Join us to learn how to build classroom structures that maximize equitable access and sustained engagement for all students.

This hour-long session will delve into:

- Classroom Management, Organization, and Routines
- Learning Management Systems, Platforms, and Websites
- The Virtual Classroom Checklist

Our resources, tips, and guidance will help ease the transition (*for you and your students*) into a virtual space!

No cost to  
attend for **Santa Barbara  
County Educators**  
but registration  
required
