

2020-21 New Teacher Orientation Dates
Santa Barbara County Education Office
Teacher Induction Program

For the 2020-21 school year, program modifications have been made for the safety and well-being of all program participants. Our orientation will be a Zoom meeting and the online learning platform, NEO, will be utilized to support your induction experience (in lieu of in-person meetings). For the orientation, you will need a stable internet connection, computer with working video and audio, and a quiet, distraction free environment. Select the time that best fits your schedule, mark your calendar and begin to make any arrangements (if needed) so you have a successful virtual meeting experience. Contact us with any questions.
